Help & FAQ

How do I register for StudentTasks?

To register for StudentTasks, click on the "Sign Up" button on the login page. Fill in your email address, create a secure password, and verify your student status with your school email. Once you've confirmed your email address, you'll be able to access all features of the platform.

How do I view and manage my tasks?

Navigate to the "Tasks" section from the main menu to view all your tasks. You can filter tasks by status (pending, completed, overdue), search by title or description, and sort by due date or priority. Click on any task card to view detailed information, edit the task, or mark it as complete.

How do I upload and organize my study summaries?

Go to the "Summaries" section and click "Upload Files" to add your study materials. You can upload PDF, Word documents, or text files. Once uploaded, you can organize summaries by subject, tag them with keywords, and search through your collection. All uploaded files are securely stored and accessible from any device.
